“ *During this course we performed so many different characters & scenes. We practically learned and practiced the whole process of acting as it is done for feature films.* ”

Reviews

"I used to just look forward to the session every week. It was so much fun to become a character and shoot scenes. It was de-stressing, relaxing and really a fun experience."

"I truly learnt the process how these professional actors become a complete different person on screen."

"Its too exciting to be part of this course. At times we become king & queen, or secret agents, or mafia or a pure lover. This course is fun."

"After this course, it has become really easy for me to go for any audition and perform the scene as I know the whole process now."
